

The Lord's Present-Day Speaking **“Healing—It Is His Pleasure**

Your Heart and the Healing of It

Do you think that your heart and the healing of it is anything to Me? Do you think that there is anything that I cannot approach and do for those who believe? For in the same measure that I cannot move for them who do not believe, I can move for them who do.

For in this I say that all things are possible to him who believes. For not only am I able to move in that heart of your spirit, but I am able to move in your physical heart. So why be afraid of anything that the enemy would send your way? For he cannot overpower you emotionally nor can he cancel out your physical man.

Put yourself into My hands, for it is in My Presence that you rise or stand, and strive to do what I have separated and called you for as individuals. And when you strive to walk the walk that I have laid out for you, then My will comes into play. And when you are walking in My perfect will, there is nothing that I will not do for you.

I Am Your Answer Before the Answer Is Received

Where many, many people engage in testings and trials is in a financial realm, because, of all places, in this realm, there is much fear. For in those things that affect the daily walk of your life and affect the place that you are walking in at that moment are those things that generate the most fear and are the things that are least dealt with. For if you knew the end of the matter, you would back up to the beginning of the matter, and no matter what the circumstances said, you would apply yourself to what I said: Because I am your Answer.

But in the areas of diseases, too many have been indoctrinated by things which they see. And too many have called upon My Name and named My Name yet suffered the same condemnation and defeats as the world. And even though they had been delivered from them, they still are condemned and die of the same things the world dies of.

And in My provision—the same things the world fears, My people fear or they don't really believe that I am their Provision. For they look to the west and look to the east and the south and the north and evaluate everything.

There is no fear that accompanies any knowledge that may come your way when I am the Basis for all the truth you walk in. For what is it that you would fear? What is it that is stronger than Me? And what circumstance are you in that I cannot turn at any point and give you the victory? But, oh, if you will go from where you are to where I have provided for you that standing in Me, you will be amazed. Your testimony will change. Your confidence and your health will change, for when you walk in the kind of peace that says I am the Lord your God who goes before you and I even order your provision, you will walk in great peace.

Therefore, leaving those things that are behind, press toward the prize of the mark of that high call, for he who has torment has fear, for there has not been a perfecting of My love.

Did I not say that it is the fellowship with Me that causes the pouring [out] of My love to reservoir and begin to affect you spirit, soul, and body as My Presence permeates every part of your being and your walk?

Come and fellowship with Me, for you will find in the Presence a surety so that there will be no torment and fear. For I am your Health. I am your Provision. And I am He who waits for you at the gates of eternity. Is there anything too hard for Me?

Trust Me, not only for your salvation when you cross the line, but trust Me now, for I am a God of performance, and I will perform for you, says the Lord.

Oh, there will be much weeping in the land, for many will find that they had not made My stand. For when provision runs out and all those who have used faith to serve themselves and to serve their greed will find out it was not Me behind the scenes moving My hand on their behalf.

When storehouses and provisions begin to fail, all the hay, wood, and stubble will fail with it. Therefore, be strong, for I am the First and the Foremost which you need to get to know in the lines of defense. I am the Standard you need to learn how to hold up. I am the Answer before the answer is received—walk in it.

For when you lose your fear, My operation in you will be escalated. I have put up with fear in babies, for they do not yet know Me. Many of you have received many calls to come and know Me. First, it will be sacrifice, but when My peace begins to dominate a day that used to wear you down in all your defenses and wear your spiritual walk down—with My peace, a day like that is taken in stride.

Hear what the Spirit would say, for I am your Strength, but you must let Me be who I am.

I Have Already Done All Things for You

I have already done all these things for you—these things are simply attained to. In the complexity of the soul and the operation of spirit, many people in the process of transformation and renewing do not understand many things about Me, says the Lord.

One of the primary things they do not understand, that is most faithful to stop Me, is they do not settle it inside, once and for all, that I have already done this. And for those who know and receive this into their spirit, I am able to take the compass and chart the closest route to your miracle. But to free Me, you must believe that this is done. For in the complexity of the soul, there are many realms [where] I will administrate My grace. There are many walks for many places that will bring you to this place. But when it is all said and done, the miracle will have taken place from the same place that I secured from the foundations of the world.

So, know, whether your journey is slow or fast, when you arrive, it is to the same miracle that I secured for you two thousand years ago. So, therefore, rejoice and chart your course, receive it inside to know that not only miracles of healing but I have done all other things for you also.

As Far As I Am Concerned—It Is Unconditional

It is no ordeal to Me to heal you, says the Lord. I already did that. It is no problem for Me to give to you that which I have already done. I do not make it hard; people make it hard and the enemy makes it hard.

But for those who will walk in My grace and understand how I have provided these things for you, it is unconditional as far as I am concerned. But it must be approached by faith and by what I have done for you.

When I Say It Is Done, It Is Done

Approaching Me with My mind—when I say it is done, it is done. For what I have done is done, says the Lord.

Approach Me Based On This

Editor's Note: The following came before prayer for healing.

Yield yourself to Me and come to Me and hear. Approach Me based on this: that I love you with the same love—I loved you with the same love that I loved Him [Jesus].

I Look at It As Now

You do stand in the place of not a feeble one among you, for I do not stand in time. Your inheritance is all the fullness of Christ in you—all the fullness. It is truth that you are a new creature in Christ, and old things have passed away, and behold, all things have become new.

My people have not beheld My truth that ALL things have become new. You are not creatures of darkness but creatures of light. That light is Christ in you, the hope of glory. When you were healed and made whole by the stripes of Jesus—you were healed and made whole. That is your standing, and as My Body, there is not a feeble one among you.

What has not been seen is that I stand outside of time, and so do you in your standing in Christ at My right hand. Man looks at the born-again redemption plan as two thousand plus years ago. I look at it as now.

All things have become new. Now it has happened. Now it is so. Now is the day of salvation. Now is your season of redemption. All are new. All are whole. All are free in Me. Your time is “Now.”

Now you are more than a conqueror. Now you are far above all principality, power, might, rule and dominion, and every name that will ever be named.

The “feeble” was taken away at the Cross. Now it has happened. Now it is so.

The mind of Christ is your inheritance. Now it has happened. Now it is so. Now you have that mind. Now you stand in My righteousness by the blood of My Lamb. Now you are greater, through He that is in you, than he that is in the world, because now in His life you are hidden.

You stand in a place called “Now” in your inheritance. When you walk in “seasons” and “times,” it is because I am able to show you things in “Now” that your understanding has gained access to.

“Now” is the time I stand in and the time that you stand in through your standing in Christ. Your understanding truth brings about the opening of your eyes into the place

you stand and the fullness you have now.

All things are gained through the knowledge of your God and through the knowledge of all I have made available for you to be through My Son, by the help of My Spirit. But all these things the eyes of your understanding see and the wisdom of revelation opens up to you are now who you are and are all that you have through your inheritance. You stand in the place of “Now,” which is the place called Done—the place of your standing being complete and finished. “Now” is who you are in Christ—now at this very moment.

Everything that was done for you was done now. Everything you have become has happened now. You are freshly a new creature in Christ, newly born again, and now you are healed and made whole with none feeble among you.

Let the eyes of your understanding peer into the “now” of who you are and where you stand in Me through My Son. See as now; speak as now; live in now. It is who you are.

I Have Given You a Word

Don't let passiveness become part of your religion. Don't take things that My Word says and truth that has been quickened in you as though it was something you can be passive over:

“And so if it happens; so if it doesn't. So what?”

Know you not this will keep other things from being answered in your life? When I tell you that I will come forward and do things for you, you should rejoice and be exceedingly glad, knowing no matter what the circumstances say, I have given you a word that I have laid My hand on your problem. You have My “logos”; you have My “rhema”—so stand strong, says the Lord.

What Does Unconditional Mean to Me?

What does “unconditional” mean to Me? It means that you can come and lie back in the arms of Love and rest and receive. It means you must lay all of your performance—good and bad—at the foot of the Cross where those things of the Law [performance] were made whole and complete. It means that Love is merciful indeed, and Love has only the vision of the truth of who you are now in Me.

You are whole and complete in Christ Jesus. You are righteous and you are holy. You are alive in Christ. Your old man that was not righteous nor was it holy has died, and you are brand new.

It is the love of God that never, ever fails, and your Creator and your Redeemer exhibited this love when He went about doing good and healing all who were oppressed of the devil, for God was with Him. The love of the Father was on display in the image of the Son when it was made known that all who call upon the Lord shall be saved.

The love of the Father, as expressed in the Son, was explicitly revealed when all who came believing received of My good ways and went away whole. This goodness, this dramatic display of My love will be openly displayed in the revival that many have longed for, spoken of, and rehearsed among themselves. This same love that was evident through My Son has not changed—it is the same today.

The Father's love is the love that is the same yesterday, today, and forever. This love cannot be earned. It is only to be received, for it is free and limitless—without limits.

This love heals. This love restores. This love cleanses. This love delivers. This love speaks. This love reaches beyond the depths of every fault, every flaw, every frailty and weakness, and beyond the sins that are hidden from the eyes of men and says, "Come. Come. All is provided. Healing is free—it has been paid for. Come, freely receive."

My Earnest Desire Is to Heal You

Editor's Note: The following was before prayer for children. Because Jesus took our infirmities and bore our pains, the following promise is still available. [Matt 8:16,17]

This is close to My heart as I know that it is close to your heart. See; see what I will do, says the Lord. See what I will do. Don't you know that if you doubt not in your heart that you will have what you are believing for? For to whom is it hard to doubt My willingness to heal children? Therefore, lift up your hearts, lift up your faith and believe Me.

I don't know if there are babies in the hospital—if you are believing in a general respect for them. I saw a crowd that looked like five or six and under, but it's okay, you know, we will take a teenager anytime.

When you have that helpless feeling, and you look up toward Me—any child can give those who love them a helpless feeling when they are in pain. Imagine, says the Lord, when you look up to Me as a child, My earnest desire is to heal you.

Healing—It Abounds From Me

Healing is abundant—it abounds from Me, but healing is not seen as abundant in the earth because My truth has not been understood to be **TRUTH**. Healing is unconditional, for the way of the Kingdom is to heal. All provision has been made and the grace has come, through My Son, for all to be made whole.

It has been difficult for the natural mind of man to understand My mercy and My grace, for these things are spiritually understood. My Church, as a whole, has not understood the way into spiritual understanding, and this way is by the tutoring of the spiritual mind by My Spirit through the supernatural language made available to all who will receive it.

Those who have chosen the path of tutoring by My Spirit are entering into the understanding of truth that will unlock many doors. The battles have been hard fought to reach into the understanding of these truths, but My Spirit has been ushering you in through the fellowship that you have found to be key. I am pleased.

Know: Your Father Loves You

Fathering is as natural to Me as natural can be, because that is who I am—your Father. The problem is, being fathered by Me and receiving fathering from Me does not come natural to the wounded soul that has been deprived of the pure fathering that is

found in Me. There has been a degree of fathering through natural fathers, but the pureness of fathering that comes from Me has been lacking.

I am restoring fathering to the Church, and that is only done by My family receiving the pure fathering that comes from Me. I am teaching the way into the pure through the fellowship of My Spirit. I AM your eternal Father.

I am pointing My children to Me—to the Father. I am teaching many by My Spirit to look to Me and all that I have put in place for them through My Son.

You are My sons. Your relationship with Me is as a son to a Father. I do not hold you at arm's length; I daily invite you into the open arms of My grace and My love. As you understand the grace in My love's forgiveness, you will understand the pure standing you have in My love.

Many think I draw a line in My love that is based on their strengths and weaknesses, and they see this line moving them closer to Me in their strengths and moving them farther away from My love in their weaknesses. But this is not how I am. I give you My love, and the fullness of My love, when you are weak and when you are strong.

My Church has not understood the healing that is in My love. It is unconditional to young and old alike. When you are weak in your weaknesses, My healing is as much yours as when you are strong in My strengths, for what I have done for you through My Son's stripes is **DONE**.

I am inviting My family into the knowledge of My love and My grace where the pureness of My love is known as a wide open embrace.

Know: Your Father loves you. And know: This love is unchanging and does not originate in you. Love is who I am. My love is extended to you, and I will **NOT** pull back My hand.

I reach for you to come. Come into the knowledge of who I am through the fellowship of My Spirit and see things from where I stand.

Precious—Your Use of My Word

Do you know how precious your use of My Word is? It is as tenderly intimate to Me as your times of expressing your heart to Me in worship. The foundation of all relationships is truth, and My Word is truth.

I consider it a time of intimacy when you speak truthfully about yourself to Me through the speaking of My Word. It is My delight when you speak of yourself according to My Word, for our union is in these truths you speak. We are united by truth. My nature in you is truth. My words are truth. I have given you the Spirit of Truth to lead you into all truth. We are united in truth.

Each time you draw near to Me, I am ever with you and ever ready for you as you approach Me. I never leave you or forsake you. I am always near to you and welcome each time you draw near to Me. Our life together is a fellowship, and as you are conformed to the truth, through the understanding of it, you will understand more just how dear to Me this fellowship with you is. Our fellowship is everything to Me. You are everything to Me.

Intimacy is you drawing close to Me in truth, for our life together is in truth. I consider it sweet and I consider it intimate when you take times of speaking My Word to

Me in the process of transforming your soul. In any intimate relationship, truth is the foundation—and My Word is truth. As you come to Me in worship with the truth of My Word and what it says about you, you have stepped into that place of the sweet fellowship of you being truthful about yourself, just as I am always truthful about Myself to you.

The core of our relationship is the truth about Me and the truth about you. Our relationship revolves around this. So understand when I say that your times with Me of embracing My truth and your times with Me of worshiping Me based on truth are very sweet to Me indeed. Whenever you take My Word and fill your mouth and your heart with truth to be conformed to it, these are treasured times to Me. It is very satisfying when choices are made for Me by choosing My Word. My heart rejoices at the truth in you, and My heart rejoices at the transformation it brings. This is the heart of our union—My Word of life in you.

Understand My pleasure each time you choose My Word over everything you see and hear around you. And know My utmost pleasure as you allow My Word to transform you through the use of it. You draw near to Me when you draw near to truth.

All Things Have Been Given to You

When My apostle said he desired above all things that you prosper and be in health, even as your soul prospers, he spoke from My mind. These things are not something you have been offered; they are the blessings you have been given.

As your mind is renewed, truth becomes reality to you. It is not that you are not prosperous—you are. You have all things, for what I gave My Son has been given to you. It is not that you are not healed—you are, for My Son stood in the place of you.

It is not that you are trying to obtain these things as if they are not yours—they have already been given to you. It is only that you stand and you refuse those things that say My Word to you is untrue. All things have been given to you. Stand in who you are.

This Was Healing for You

I love you and I reach out with My love and draw you into My life. I draw you to come and sit with Me in the arms of My love—My love that has given My life to you.

I am the life that is in you. This life I have given you is full of all I am and all I have done for you. My life in exchange for you—this was healing for you. The laying down of My life brought life to you, and this includes wholeness of life in your body.

Come to Me and understand My love for you and that I hold nothing back from you. The enemy will try to bring His works against your body, but rest in the assurance of My unchanging love for you. Rest in this: I love you and I am for you, and nothing I have is held back from you.

I am your Life, and I am the One who healed you. Come and sit in My love for you and receive who I am to you. I am your Life. I have healed you.

Healing—Yield Yourself and I Will Come After You

Editor's Note: The following was before prayer for healing.

I have already done these things. It is when you lean over toward Me and yield yourself into a territory that I can operate in that you help Me come after you. When I find anything I can come after you with, I will come after you, for it is the devil who has painted the picture that I am the One leaving you suffering.

It's not Me. It is not Me. I am the One who is here to get it all back.

He Is Going to Come Through for You

The Lord says it's going to be okay. He loves you. He knows exactly what it is you are struggling with. Don't think for a moment that if He still numbers the hairs of your head, which He does, don't think for a moment that He is not going to come through for you.

I Bore Your Sicknesses and Carried Your Pains

Editor's Note: The following was during a time of prayer for healing from the flu virus.

Sometimes things that are simple, you tend to excuse, or for things that will wear themselves down and go, you tend to excuse. But know you not that what I did for one thing, I did for all things? I provided this for you, and it is My blessing to you, for I bore your sicknesses and carried your pains; therefore, you ARE healed.

There Is No Disease Beyond My Love

Is there anything too hard for Me? No.

Is there anything too hard for Me? No, there is nothing too hard for Me, *He says*. And there is no disease beyond what My love can appropriate and answer for.

Always Know This: I Bring the Answers

The more you get to know Me, the more you will get to know My moves and understand them. For no matter what comes or what you are scared to see on the horizon, always know this: In My Presence, when I come, I bring the answers, for there is nothing too hard for Me. So you be bold and look the enemy in the eye and say, "There is nothing you can do that He has not already done for me, so I am blessed."

For many of you accept defeat and you do so sometimes on the eve of victory. Know that he [the enemy] fights the hardest just before what he is doing is terminated. So be strong and rejoice, and when it gets worse, rejoice harder, for know that I have not changed and My truth is the same.

Lean Over Into Me

Editor's Note: The following was before prayer for healing.

Lean over into Me. Let Me pick you up into a place of My Presence. You'll see, sometimes you come within range and sometimes I can reach in and close the gap.

Call what I have said "Truth" and say what I said about your problem and you will expedite the things I can do for you, says the Lord.

Healing—It Is His Pleasure

Editor's Note: The following was spoken during prayer for those needing healing.

You see, it is more than healing—it pleases Him. It's His pleasure. See, He died under the penalty of any disease Satan had in that day or could have ever created. He died under the penalty of it—died of it in my place, and because I already died of that disease, once, when I died with Him, how can it kill me again? It can't, can it? You got it—It can't.

So are you going to take your healing or what? It [the disease] can't kill you. It can't even really torture you again because He was tortured and [He] was in your place.

Proceed Forward in Me and Say What I Say

Editor's Note: The following was spoken after prayer for those in need of physical healing.

For you who will listen, I love to continue what I am doing in your body, and when you fellowship with Me, you go from where you are to where I am. And where I am, it is done. In that day, it will be done, so do not accept it the way it is now, but proceed forward in Me and say what I say and you will see—this is for each and every one of you to be healed.

I Have Rivers of Love

He has never-ending love—rivers and rivers and rivers that flow of love, that just never end and never stop. You can't drink too much of it. You can't stop it.

He loves you, and right when you think that you have gone too far or done too much or crossed the line, there are rivers of love. There is redemption for every person who wants it.

For those who think they have messed it up too much or messed up their life too much, He is saying to you: I have rivers of love, and there is enough love not just to heal you but to help restore you. So even as you may have made decisions to walk away, there are decisions to walk back to Me, and you will find rivers of love for you, not just to bring healing but [to bring] restoration to you.

If You Believe I Healed You, Then Say So

For you who did not receive your healing—you who did not at this point: Do you

believe? Do you believe that I healed you? If you believe I healed you without being able to feel it then say so.

Say so, for you are not changing My mind. I have already healed you. What you are doing is changing yourself from someone who can't receive it to someone who can.

Evidently, you can't keep saying it without ending up believing it.

Healing Belongs to You

Editor's Note: The following was spoken during a time of prayer for healing.

Be bold. Be strong. These things belong to you. They are your rights, not the devil's. Take them back. They belong to you, says the Lord.

That's your health.

Go to School—Pray, Get Yourself Ready

What I have said in the past, I will say to you again: You don't have to bear that pain. You don't have to put up with it. At times, the devil will work on your believing process to neutralize you in a place to where, when it gets a little bit better, you stop. You need to see this thing through, for I have good news for you: I have already healed you. All I need you to do is stand up to him and [with] what I gave you, and you will see that you are free, but not only now, in the future. Because, do you think the future is going to be easier than now? Go to school. Pray. Get yourself ready, says the Lord.

For many of you, it will be the greatest times of harvest, and still, some will have a tendency to go down in weakness. Don't you be any of them, for I give you the keys. You need to teach them the keys. If they don't want to listen, teach them anyway. Many times, they are listening in private, but they have their pride.

So go on avenues—preach it; teach it everywhere that you can, because once they get the leadership of the Spirit in them, I will guide them. I will cause them, through the manifestations of My power, to walk out of everything that isn't into everything that is.

You Are the Authority

You and I are fighting a wave of religion that is trying to overtake this country, and with it comes thoughts and attacks of the enemy to try to belittle you in what you have.

Do you ever get around somebody who comes to you and says something to you and you walk away and you feel less spiritual than they do? That's the devil.

Did you ever have that happen to you? Did you ever go in a service and watch things happen all around you and you are wondering, "Is something wrong with me because I am not feeling it?"

There is no one on this earth more spiritual than you. You are His child. You can't get more spiritual than that.

There is a wave of attack the enemy has poured out on us to make you feel not spiritual enough, and it is trying to drive you—us—to pursue something, an old way, to

pursue an old move of God. And God is wanting us to not go that direction but to step another direction.

It doesn't seem spiritual. It doesn't seem as magical or as powerful, but it is, because the power of God and the authority of God is now. The authority of God is not coming from the atmosphere or from Heaven or open heavens. It is coming from you! You are the authority!

It is no longer the services or the buildings that He is after. He is after His children walking around, stomping around, walking in authority whether they feel worthy or not, whether they feel like they are deserving or not. They will walk in it because they walk by faith and not by sight. And this is you!

This is you—that you go to bed at night a child of God, you wake up in the morning a child of God, and whether you feel anointed or feel blessed or not, it doesn't matter because you are. It is in you. You walk—it oozes out of you.

When He says, "Worship Me," don't wait for Him to lift you. Don't wait for your flesh to say, "Okay, I will let you worship now." Just do it.

When He says, "You are healed"—walk in it. The impossible—that is who you are. You are born in the family of the impossible.

My Love Is the Ultimate Reason That I Move

Editor's Note: The following was before prayer for those experiencing pain.

Some people treat Me like this is a chore. If only you knew how much I delight when I am able to take the pain out that is hurting you and heal you. This is not a task for Me. This is a delight.

I did not say that He will receive of Mine and show it unto you to have nothing to go with that statement, for He receives of Mine and shows it unto you that everything I have for you and have promised in the way of healing, direction and ministry can be found and prayed out in the mysteries of He who receives it from Me and shows it unto you, says the Lord.

For we will get rid of more and more things that resist when you understand Me and [understand] more and more the way that I move. For it is My love that is the ultimate reason that I move, and you know that I love you. If you know that, I say unto you: Receive the miracle that I have for you.

Don't Let Pain Convince You It Is Final

Don't let pain convince you that it is final. Don't let pain—it's a strong word—"seduce" you into unbelief.

Take your stand and follow Me, and you will be healed and exalted.

Come to Me

I can see a picture of God with His arms wide open saying: Come to Me. Come to Me. I haven't driven you away. You have driven yourself away. I have been there all the

while with My arms stretched out saying, Come.

So embrace Me, love on Me, and let Me love on you so that you can receive the very thing that you need: the strength, the grace to believe that I made you pure. I made you righteous. And the hurt that was caused in your life, it didn't come from Me. I didn't send it. It wasn't from Me, and I am here to make sure that it gets healed, it gets changed.

So, Father, we thank You for Your grace right now—Your grace and Your Presence, Father. We thank You for the precious blood of Jesus that washes us, cleanses us from all unrighteousness. And it reminds us that we are pure and that we are holy, that we are Your children, that You never turn Your back on us even though we may have run from You a thousand times—You have never turned Your back on us. So we thank You for always being faithful to us in the good times and in the bad times.

Father, our heart is to know You more and to love You more. And if we have been doing things that we know that we should not have been, Father, we repent. We repent. We turn from it.

We thank You that You are cleansing us from all unrighteousness. You are washing us. You are empowering us to spend time with You to come to know the Father so that we can grow. We thank You for that, Father.

If You Say What I Say

I will be with your mouth the same as I was with My Son, Jesus. What you say shall come to pass if you bridle your tongue and you say what I say—your religion will not be in vain.

Believe What You Receive

Do not count yourself unworthy, not good enough. What I endured, I endured for you. Each one, every one. I went into the pit of suffering and punishment in your place. The stripes I bore are beyond the understanding of man. Not only was there a brutal and torturous beating, but the hordes of hell were on assignment to add their influence of evil to these things. I endured all of it for you.

I endured the suffering that you might be free to receive from My hand of love and mercy. I need a people who will believe and receive of that which I did on your behalf—by My stripes, you were healed.

You are now healed, and the same love and the same mercy that motivated Me then motivates Me today. I am Love, and My heart is full of mercy, always, to the one who comes to Me. I withhold nothing. Freely come, freely receive. Believe what you receive—healing that was accomplished by My stripes.

Foster Intimacy

Those who know Me in intimacy will do great exploits. Those who become familiar with resting close to My bosom are those who have chosen intimacy with Me.

Intimacy with Me is not just learning to trust Me, though trust is a result of fellowship with Me. Intimacy with Me is more than learning and understanding.

Intimacy is a flow with Me of you pouring out your love to Me and receiving Me as I pour My love out to you, and you hearing from Me and Me hearing from your heart to Me.

I lavish My love on those who allow Me to, and I open My heart to those who open their heart to Me, for I draw near to those who draw near to Me. To draw near to Me allows Me to come and make Myself known to you. I am Love, and I want you to know Me and to know Me intimately.

Many have traversed the paths of intimacy with Me, and I have been to them their Healer and Restorer and the One who has received them and met them where they are and consumed them in My love. They have come to know the embrace of the Father, the arms of the precious Savior, and the patient love of the Holy Spirit. Intimacy is a welcoming place, and in intimacy there is much healing, much restoring, and nurturing. In intimacy with Me, there is great safety.

Those who traverse the paths of intimacy experience the glories of Love that are life changing. In My embrace is much equipping, for as I come in My tenderness and love and compassion, there are many blessings to be received, and it is life changing.

I draw very near to those who draw very near to Me, for the heart of intimacy is everything to Me, for I am Love, and I am intimacy. Foster intimacy, for there is so much more of Me to explore in intimacy. There are dimensions to be explored that are life changing, for to know Love is to be changed by Love. I am Love, and I am a Rewarder of those who seek Me diligently.

I Am the Lord That Healeth Thee

I am the Lord that healeth thee, says the Spirit of Grace. Do not receive the report of the enemy. Do not even receive the report of the symptoms of your own body, says the Spirit of Grace. Continue to stand in My Word and continue to stand within the witness on the inside of you that the words that I speak to you in comfort, that I have healed your body. Receive these things and walk in the fullness of them, says the Lord. For you will live and not die.

Do not receive the report of the enemy that keeps telling you that you are going to die from this thing, they are going to find you dead, or you are going to not make the end of your journey because your health is going to continue to debilitate. I say unto you as I say unto all those who believe My Word: Stand upon My promises. Continue to walk in My promises, but know this, that I declare unto you by My Spirit, says the Lord, that you are healed present-tense. All other symptoms are a lie against the truth concerning your body, says the Spirit of the Lord.

Healing Will Come

Healing will come. Healing will come. Healing will come. Healing from My end does not ever fail to come, for I have provided, and I do provide, and I will provide. I never, ever hold back.

Do not look from the eyes that see the earth and sky, but look from believing eyes, the eyes that are within, the eyes of the inner man, for these eyes see according to how I see.

Lift yourselves in worship beyond natural seeing. Let My Word be a song of praise, a psalm in the night, a sword against thoughts that defy what has been provided. Know that healing will come. Healing is never, ever held back by Me. I have fully provided all healing, so expect and believe.

Worship and praise Me for what you cannot see. Lift yourself higher than your surroundings, setting your attention on Me, just on Me. I am faithful, and faithful I will always be—you can count on Me. Pay attention to My Word more than your natural sight and feelings, and see yourself in Me. All things are provided, and nothing is held back by Me.

Be trained, be trained in healing and exercise yourself in these things. Stay in the place of worship. Keep your affections, your praise on Me. Let your focus be narrow concerning healing and graduate your believing into the possibilities that are in Me. Healing is the heart of Love, and you are each and every one loved by Me.

Be trained. Lift yourselves higher concerning healing and allow Me to demonstrate My love faithfully, for healing comes from Me, and I am faithful to heal indeed.

Imagine My Day at the Whipping Post

Imagine My day at the whipping post. Imagine that you were there with Me, and there I was and there you were as I was tied to that post to be beaten. Imagine that you were there between Me and the post that day and that each blow I took, each stripe I bore, that I whispered your name.

All was done, each stripe was taken, as if you were there with Me and I whispered your name in the midst of the pain. By the stripes laid on Me that I received, you were healed that day. Nothing could be done by man on that day, for all was done by Me. Men and women not yet born were healed when the stripes were laid on Me, for I was a covenant offering. I was the Lamb, the perfect Lamb who was the offering My Father received.

Imagine that you knelt between Me and the whipping post that day, and all the stripes landed on Me as I covered you safely from that which was happening to Me. And what you heard was Me saying your name each time a stripe was received. Imagine the love that you knew as you were covered by Me, knowing that every wound I received was so that you could freely receive a place in Me of a covenant of love everlasting.

I am the Healer, you are the healed, not by what you have done but because of what I did for you. This is the love, the covenant Love who took your place so that you could receive a place in Me, in My Father's steadfast love—a place of healed and made whole and free—all because I love you. Life in Me is a receiving place where I gave that you might receive. Come and believe and receive.
